

The Ayers Endowment Application

1. Please describe, on a separate sheet of paper, past involvement in community activities and programs. Participation and leadership in civic, social, youth, educational, community, or neighborhood organizations or programs may apply.
2. Please describe your plans for using funding from an Ayers Endowment grant. Be specific, stating objectives, means by which students would become involved, and ways in which the larger community would benefit.
3. Submit an itemized budget. To which costs would Ayers Endowment funds be applied? Identify other sources of funding.
